MASTER'S MESSAGE

Brethren:

It is indeed a pleasure and an honor to serve as Master of Federal Lodge #17. It seems like only yesterday that Ralph Rose asked me to be a steward and join the line. I am so glad I said "yes"; my growth, both personal and Masonic, has been significant.

I would like to take the time from the East to welcome back all our brethren after the holidays. I look forward to the fellowship and friendship of all of the members. Masons and wine only get better with age! We are planning some stimulating and interesting programs this year. So, come, get involved and let's all become better Masons.

Fraternally,

Jan J. Guidess
Worshipful Master
